Year 7 (2014) Transition Day

On Thursday, 17 October Year 6 students from St Joseph's and Euston Public School joined our Year 6 students for their Year 7 transition day where they got to use a range of tools and equipment in Wood Technology, made pizzas in Food Technology which they enjoyed eating for their lunch and worked in the Ag Plot for Agricultural Technology.

2014 School year begins Monday, 4 November for students currently in Years 7 to 11

Students are required to have their supplies ie books etc ready to start the new year. The required supplies are found on page 10 of this Newsletter. Supplies are available at the Post Office.

PRINCIPAL'S PERSPECTIVES

Welcome to all parents and students to week three of term four. This week see's our Year 5/6's off to Ballarat, Victoria. They will stay at the Sovereign Hill Lodge for four nights from Monday to Friday. This involves a day trip to Melbourne on Tuesday and more local activities to participate in what fits in with work done during the year on the topic of the Gold rush and historical times. There is hardly any time to sleep with the crowded itinerary to be covered.

I was lucky to attend the Borambola Sport & Recreation Centre last week. Can I say what a pleasure it was to take this group away! As a group we had to negotiate a few very scary activities such as rock wall climbing, kayaking, archery, initiative activities and the dreaded BMX track. In all of these things we had everyone have a red hot go. There were some times when it was starting to get a little too intense. All students had multiple goes at climbing a rather imposing wall. Having done this once I was not sure just how they were getting the energy and confidence to do this multiple times. An obvious highlight was the kayaking where we did some basic skills and then launched into the competitive games. That night was a real struggle for my old bones and I must admit I did have pains in all sorts of places. But the kids backed up for the dance party with seemingly no problems. However, some did struggle to jump out of bed the next morning. I suppose as this was our pack up morning I could understand that.

All in all it was a fantastic time for the group to build some real bonds with each other. I'm quite sure they will be sharing some of their experiences over the next few weeks.

Our Year 8/9 students have the opportunity to go to Sydney for their excursion in week 5. With the diverse range of activities planned it seems like having a restful time is certainly not on the agenda.

This week sees the school host a morning activity for parents of students with either Kindergarten or Year 6 students who are looking for options for next year. The morning will involve a series of performances and presentations by students. This is planned for 9.30am in the School Hall. Please take the time to visit the school and take part in the activities and see what our kids are doing across the board. There will be some wonderful performances by students as well as a tour of the school.

Our Year 11 and 12 students continue their HSC odyssey this week. Exams are held in the Anglican Hall. We wish our Year 11 and 12 students well as they will be sitting their HSC examinations for the next few weeks. Our last student completes their HSC schedule on 5 November. Once all this has been done there will be two pathways to be followed by our students. Year 12 will enter a somewhat frenzied time of preparation for their Formal to be held on 23 November, while the Year 11 students will assume the mantle of seniority when the secondary school rolls over its academic year at the start of week 5.

In amongst all of this our Year 7 to 10 students will sit their yearly examinations in the later stage of week 4, just before the school rolls into the new academic year. So in every way it is action stations for all our students with the prospect of reports for all of them before the end of the term, leading to a very popular Presentation Night in week 10. We have been approached by the Salvation Army, who will be once again visiting the town in week 10 this term to present some workshops for our students as well as do some good deeds around the place. They have also offered to serve the tea and coffee refreshments after our presentation night.

Once again let's make this term a great success for all our students as we launch into another hectic time of nonstop activities. I hope we are all ready for the impending rush.

All the best.

Primary Ponderings

Last week was another busy week in Primary with an assembly and a school excursion for our Year 3/4 students. Well done to our 5/6 class who ran the assembly with a much smaller audience, from all accounts I believe your poetry reading was well received.

On Wednesday, 17 of our Year 3/4 students travelled to Borambola for a three day excursion. A fantastic time was had by all with every student showing a willingness to push themselves to try new and perhaps challenging things! Students were given the opportunity to work together to solve problems, climb a ten metre wall, learn how to control a kayak and ride a BMX. It was very pleasing to see the smiles on our student's faces as they participated in all the activities. Thanks to Mr Riesinger for accompanying me on the trip and Paulina Fica for helping with supervision and Steve Calleja for helping with supervision and driving our bus. It is your valuable contribution that enables us to give our students these learning opportunities.

On Monday morning I farewelled our Year 5/6 students on their excursion to Ballarat. We will have a report on their trip in our next newsletter.

Euston HALF MARATHON CARNIVAL

November 23 - 24, 2013

SMALL EUSTON TO PRODUCE BIG RESULTS

When it comes to the inaugural Euston Half-Marathon Carnival, the saying "It's not about the destination, it's about the journey" certainly rings true.

For competitors in Australia's newest running festival in South-Western New South Wales, the journey will be flat and fast.

While reaching the idyllic Euston will require competitors to embark on a road trip, covering the courses will be quick - so quick that we're confident that you'll leave the mighty Murray River region with a new personal best.

On Sunday, November 24, there is an event for everyone:

- Half-Marathon
- Aristocrat Leisure 10km
- Tasco Inland 4km
- Mallee Sustainable Farming 1.5km Kids' Trot

The festivities officially kick off on Saturday, November 23, when The Euston Club Resort hosts a Sports Night, headlined by Australian running legend and race patron Steve Moneghetti. In keeping with the relaxed theme of the carnival, Australia's funniest song and joke man Peter Dee will also take to the stage.

Please find enclosed some entry forms and posters, which you are welcome to distribute and pin-up to help promote this exciting new event.

For more information and to take advantage of the early bird discount, head to www.eustonhalfmarathoncarnival.com.au.
