Cross Country

On Friday, 17 May 2013 students from K-12 went out to the school farm for the annual Cross Country. Most of secondary walked to the farm and primary were transported by the school bus. Thank you to the parents and volunteers for helping out and to Mr White for his great organisation of the track. Results will be published in next week's Newsletter.

PRINCIPAL'S PERSPECTIVES

Welcome to all parents and students to week five of term two. Last week saw the school hold its Cross Country Carnival on Friday. A clear cold start to the day saw most age groups being very competitive in the afternoon. The standard pack take off was quite a sight from all reports. While the track was well marked there may have been some confusion with where some of the younger students were assigned to turn. These issues will be sorted during this week.

Students in Year 7 to 10 will be sitting their Half Yearly Examinations in the Hall this week. This is a chance for them to show what they have learned during the last twenty weeks of school time. As we all seriously do the Maths, I'm imagining some curious expressions? If we remember our secondary students started their study in this year's courses at the end of last year, with five weeks of work. I suspect that many of us will have forgotten this as I am sure most students have. This makes the need for revision even more important. So make sure your kids give themselves the best chance possible in the lead up to examinations by looking over work that has been done in the past. Better still do some practice and share ideas with other peers. All these things help enormously. Give it a try and see what the result is.

The unrelenting number of activities is still impacting on students and parents. This week we will have a group of Primary students heading to Mildura to attend the GRIP conference for future school leaders. The school has decided to send a group of Year 5 students along with the Primary School Captains to establish a leadership development program that will benefit individual students and the school into the future. There is also the Paul Kelly Cup on as well as a KROP activity that needs to be managed. All in one week! It really just does not stop even for a minute.

I attended a principals meeting at Yanco Agricultural High School. This was a chance for Secondary Principals to share more detail regarding the planned implementation of the LMBR and all the associated programs attached to this. While things are happening, the timeline for across the state implementation will see all schools switch to the new processes late next year. Long

before this the realignment process will be in place with positions being filled over the next few weeks.

The Executive Directors have been selected and will take on their positions next week. The worst aspect of this is the loss of so many fantastic people. The DEC as we know it will have a very new face.

All the best.

Primary Ponderings

Cross Country

What a glorious day we had for our annual Cross Country last Friday! It was great to see our students participating and 'having a go', even though some of our older students found the distance quite a challenge. Thank you must go to Mr White for his organisation and co-ordination of the event on the day and Lloyd for transporting our Primary Students on the bus. Congratulations to all placegetters who tried so hard and ran so well. The District Cross Country will be held on Friday, May 31 in Wakool.

School Excursions

When attending any sort of excursion at Balranald Central School it is expected that students will follow school rules and be on their best behaviour at all times. Mobile phones are not permitted on excursions under any circumstances; the supervising teacher will have the contact details for all students in their care and can contact parents/caregivers if required. Students are not encouraged to bring electronic devices on excursions and need to understand that they do so at their own risk. The supervising teacher, nor the school, will be held responsible for students losing valuables while on school excursions.

A Busy Week Ahead

This week will be a very busy one for a number of our primary students. On Tuesday a group of students will be travelling to Mildura to attend a leadership conference, on Wednesday some of our Year 5/6 boys will travel to Finley for the Paul Kelly Cup and on Friday some of our students from Year's 2 to 6 will travel to Wakool for the PSSA Cross Country.

Thinking about time

As a parent, you can help your child develop their understanding about time by:

- Looking at parking signs and discussing the time restrictions when parking the car.
- Looking at a calendar together and marking important dates. Talk about how many days until each event.
- Using a watch with a second hand, time your child running, skipping or swimming. Count how many steps, skips or strokes one child does in a minute. Discuss how many steps or skips could happen in three minutes.
- Having your child help set a kitchen timer or an alarm clock.
- Asking your child to make a label with the 'use by' date for meat or cooked foods that are to be frozen.

Assembly Awards

At Friday's assembly we recognised the achievements of some of our students who received Assistant Principal Awards. These awards recognise students who are working well within the school environment. Our recipients were:

Lani Wilkinson For improving in her story writing
 Logan Gaston For being a positive class member
 Vinci Ugarte For participating well in group activities
 Darcy Carmichael For working hard in all areas of learning
 Mikayla Bax For being consistently on task and giving 100%.

Denym Tebetebe For trying hard in Maths
 William Scott For extending his research skills
 Bailey Stevenson For listening well in class

RIVERINA DANCE CAMP

On Wednesday, 22 May until Friday, 24 May 2013, we had the opportunity to attend the Riverina Dance Camp at Wagga Wagga High School.

Over 60 students attended and during the three days we learnt contemporary dance, drama and musical theatre and creative dance. On the Friday we performed a concert for parents and family members. We had a fantastic time, made new friends and learnt a lot of new techniques from our dance teachers. Thanks to our parents for taking us to Wagga and Ely Glen for letting us stay with her.
